TECHNICAL DATA SHEET

PRODUCT NAME: Stain Remover

DESCRIPTION: Seek and destroy stains with Stain Remover. Blended with bio-based enzymes, our natural formula quickly penetrates fabrics while dominating stains.

DIRECTIONS: Completely cover the stain with Stain Remover. Allow the product to work for 5 minutes, and then lightly agitate the stained area prior to washing the fabric according to care instructions. For tougher stain, allow the product to work for longer without drying. When brightening whites, wash in warm or hot water. Shake before use. For special stain strategies, visit www.Ecologikshop.ca
